Michelle told us they cancelled the mtg last Friday, mainly because the screening document that Gwen Bucholtz wrote needed to be further edited for readability. We talked about the status of the MOU (and she hasn't seen the re-write) but she did not say that DWR was no longer interested in it. But we all realize that as time goes by, it could become moot.

Hi,
Talked with Mike Nepstad today. Here are some items you need to know.
DWR would now prefer not to have an MOU. Did Michelle Morrow tell you this too?
DWR NEPA/404 meetings are moved to Fridays to accommodate difficult schedules on Thursdays. Next one is February 10th.
I'll send out a doodle poll for EPA & Corps to meet and discuss strategy for moving forward.
I'll call Cassandra and get an update on what I missed at the meeting.
